

### DVS Win Rates on Attack

Tunisia and Kurohana are their weakest attacks (even though they beat GodL on Tunisia in Stage 1)

### Overall Win Rates

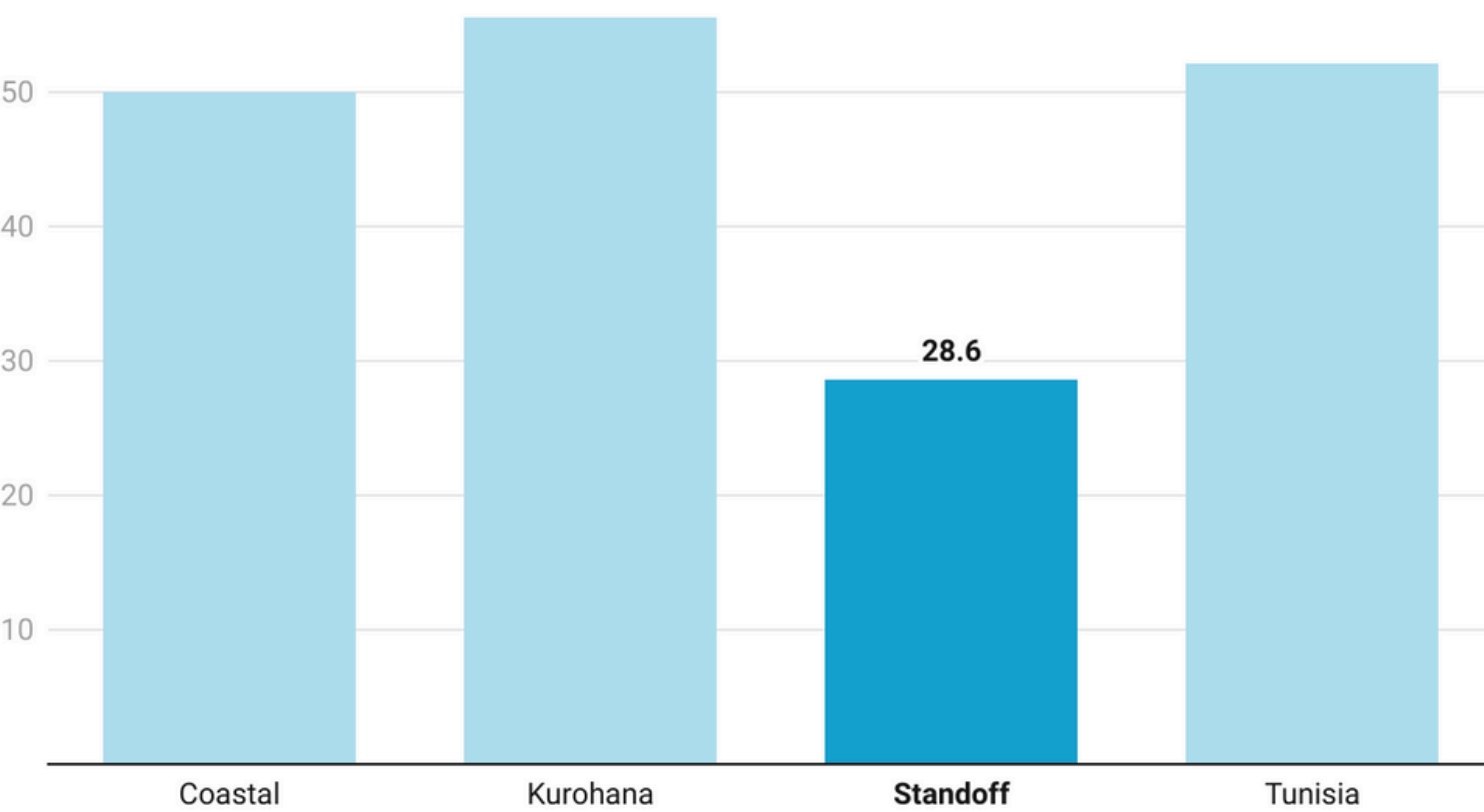

Coastal looks to be their strongest SnD map. Standoff and Tunisia may be a safe pick.

### Defense Win Rates

Standoff is the clear weak point. Everywhere they else, then win 50% or more rounds.

## Fast Plants

DVS like fast plants (planting within 45 seconds of the round starting). It does pay out all the time though.

	Map	RoundsWithFastPlant	Wins	Winrate	TotalRounds
1	Coastal	7	3	43	16
2	Kurohana	3	1	33	18
3	Standoff	3	1	33	15
