# Win-Loss Records For Stage2 So Far

Q9 and AG are dominating SnD in Masters and Challengers respectively. Reigning champions Wolves are dead last.

	Team	MatchesPlayed	MatchesWon	MatchesLost	CumulativeRoundDiff
1	Q9	5	4	1	14
2	AG	5	4	1	13
3	SPG	5	3	2	8
4	WL	4	3	1	4
5	Soul	6	2	4	1
6	XLR8	5	2	3	−1
7	Xrock	4	2	2	−1
8	GodL	3	1	2	−3
9	OUG	3	1	2	−7
10	Xceed	4	2	2	−7
11	DVS	6	2	4	−10
12	Wolves	4	1	3	−11

Most Commonly Played Maps This Week

Coastal seems to be the go-to map for Stage 2

Blowouts in Week1

4 of the 5 biggest blowouts happened in the Masters group. SPG, who blew out XROCK and Wolves, were then blown out by XROCK.

	Team1	Team2	Score	Map
1	SPG	XROCK	9-1	Firing Range
2	Soul	Xceed	9-1	Coastal
3	OUG	Q9	2-9	Coastal
4	SPG	Wolves	9-3	Kurohana
5	SPG	XROCK	3-9	Kurohana

Close Games

On the flip side, 4 of the 5 closest games happened in Challengers.

	Team1	Team2	Score	Map
1	AG	WL	7-9	Coastal
2	DVS	Soul	9-7	Coastal
3	DVS	Soul	10-8	Tunisia
4	DVS	WL	8-10	Kurohana
5	GodL	OUG	8-10	Coastal

Map Side Bias

All maps seem to be favoring the defense at this point. Tunisia seems to be very defensive sided.

Map	AttackerWins	DefenderWins	TotalRounds
Coastal	54	63	117
Firing Range	28	33	61
Kurohana	39	49	88
Standoff	23	24	47
Tunisia	35	57	92

Stage 2 Recap

- Biggest surprise has been Wolves' SnD performance; will struggle to close out series against teams like Q9.

- Will we see more blowouts in Masters group games? Or are teams going to make adjustments going forward?

- Seeing the defensive bias for maps like Tunisia, will that change how much Tunisia SnD we see going forward?
